

My name is Nicole Salinger. I'm creative and commercially-minded theatre and film reviewer, features writer and fellow thespian based in Melbourne.

I currently review theatre shows and live entertainment for two outlets: The Scoop and What's The Show. In the last year, I've covered array of productions, presented by Storeyboard Entertainment, The Melbourne Fringe Festival, Theatreworks, The Melbourne Theatre Company, The Arts Centre, CLOC and The British Film Festival, just to name a few.

I thought I would introduce myself to you, to see if you need a professional reviewer for your upcoming production of xx. If so, I'd been keen to review it and help you promote your show.

Along with posting my review online, I am more than happy to send it straight to your inbox, so you can share it on your website and use it for your socials. I deliver my review within 24 hours of seeing your show.
